THE SPEAKER

Hear key talks from Colln Dye—a man who knows all about living the life less ordinary. As Senior Pastor of Kensington Temple and leader of London City Church, he's seen a network of churches, ministries and cells boom across the capital. Author of more than 30 books, he wants to help men have an impact on their world.

THE WORSHIP

Engage with God through worship music supplied by The Mandate Band, which is composed of accomplished local musicians. Singing with thousands of other men is at the heart of 'The Mandate experience'. With a distinctive Celtic sound, the band will help you trigger a tidal surge of praise.

THE POET

Look at life from a new perspective with Adrian Pluss. One of the most thought-provoking writers and performers on the scene today, Adrian is adept at helping his audience to look – and laugh – at the finer points of faith. This master of monologue will help distract you with a different view.
